INFANT -TODDLER APPLICATION 2023

Cielito Lindo Spanish Learning is a play-based Preschool and Daycare with academic curriculum and Spanish Immersion program with indoor and outdoor activities. We know how hard it is for the parents and babies to leave them in a new place with new people, which is why we help both the babies and their families do a smooth transition.

We try every day to make the babies feels safe, comfortable, happy, and confident just how they would feels at home. We encourage them to play, have interactions with us and their classmates, we daily do Fun activities, play, read, talk, sing Spanish songs, + we teach them Basic Sign Language, for start to communicate.

We constantly work and guide them to grow physically, socially, emotionally, and cognitively to be ready for the Preschool.
