PRESCHOOL APPLICATION 2023-2024

Cielito Lindo Spanish Learning is a play-based family Daycare and Preschool with academic curriculum and Spanish Immersion program with indoor and outdoor activities. We know how hard it is for the parents and children to leave them in a new place with new people, which is why we help both the children and their families do a smooth transition.

We try every day to make the kids feels safe, comfortable, happy, and confident just how they would feels at home. We encourage them to play, have interactions with us and their classmates, exploration, dramatic play, we daily do activities like art, abc's, colors, shapes, counting/numbers, play dough, write, read, talk, do music + Spanish Language all the time.

We constantly work and guide them to grow physically, socially, emotionally, and cognitively to be ready for Kindergarten.
